Location: Tenkasi, Tamilnadu, India

Career Objective

To secure a position where I can apply my skills in programming, web development, and problem-solving, while continuously learning new technologies and contributing to the growth of the organization.

Executive Summary

Final Year IT student skilled in Java, Android Studio, HTML, CSS, JavaScript, and React.js. Experienced in projects like Student Result Management, Library App, and Aptix App, with active participation in hackathons individually and in teams. Passionate about building innovative solutions and contributing effectively in collaborative development environments.

Technical Skills

Programming Languages: Java, JavaScript, HTML, CSS

Frameworks / Libraries: React.js

Mobile Development: Android Studio

Databases: Firebase, SQL

Tools & Platforms: XAMPP, Figma, Canva, VS Code, Excel, Word, Powerpoint.

Technical Implementation

Library Management App – I am Currently working on this Android app for book availability and pre-booking for my college library

Tech Stack:

Frontend (XML)

Backend (JAVA+ RecyclerView)

Tools (AndroidStudio Code)

Exam Hall Seating Planner –Designed and implemented an automated Exam Hall Seating System with dynamic hall allocation, department/year-wise separation, and Word/Excel report generation.

TechStack:

Frontend (HTML , CSS)

Backend (JavaScript)

Tools (Visual Studio Code)

Database (Firebase)

APTIX -Androidappdeveloped with RecyclerView to provide interactive aptitude practice and enhanceproblem-solving skills.

Tech Stack:

Frontend (XML)

Backend (JAVA)

Tools (Android Studio)

Database (Firebase)

Portfolio Website -Created a personal portfolio website using React.js to showcase projects, skills, and achievements.

Tech Stack:

Frontend (React JS, HTML, CSS)

Backend (JavaScript)

Internships

One Day Internship on Manufacturing company to understand ERP software

Visited multiple companies to understand industrial workflows, manufacturing processes, and the role of IT/software in production and business operations. Gained exposure to real-world applications of technology in **packaging (Maris Associates)**, **food processing (Nila Seafoods)**, and**chemical industries (VV Titanium)**.

- Maris Associates Pvt Ltd – Polybag manufacturing company, Thoothukudi
- Nila Sea Foods Pvt Ltd – Sea Food Export Company, Thoothukudi
- VV Titanium Pvt Ltd – TiO₂ Manufacturing Company, Thoothukudi

React.js Internship– Campus Connection, Chennai

Completed hands-on training in React.js with a focus on building reusable components, managing application state, and integrating frontend interfaces with backend APIs to develop dynamic and responsive web applications.

Android Studio using Java – Vinsup Technologies

Completed training in Android app development using Java and Android Studio. Gained practical knowledge in UI design (XML), activity lifecycle, and database integration, with hands-on experience in building mobile applications.

Achievements

- MSME Hackathon 4.0 Participant (Submitted Idea: Famer Companion chatbot)
- MSME Hackathon 5.0 Participant (Submitted Idea: Low carbon Emission)
- Participated in Smart India Hackathon (Submitted Idea: Disaster Management System)
- Presented a Presentation in PSR college of Engineering for symposium

Certificates

- KCCComputer Center Certified Diploma in Computer Applications (DCA)
- Infosys Springboard Certified Basics of Python
- CADD Expert Certified Webinar on Digital Marketing
- Microsoft Certified Introduction to Generative AI and agents.
- NPTEL Certified on Computer Graphics

Education

Degree	College/University	Year	CGPA/ per%
B. Tech – IT	JP College of Engineering	2023 - 2027	9
HSC	Hithayathul Islam Higher Secondary School	2022 - 2023	92%

Positions Of Responsibility

- Coordinator, **Tech Tact Club** –Organizedandmanagedtechnicaleventsincollege.
- Member, **Social Club** –Contributedtocommunityandsocialactivities.
- Actively participatedin**hackathons**,bothindividuallyandinteam,showcasingteamwork and problem-solving skills.
- Demonstratedstrong**leadership qualities** throughorganizingandguidingpeersin academic and extracurricular initiatives.
- Consistent Academic Performance above 9.0 CCPA

Soft Skills
